

Report for Joint/Usage Research Program for Endocrine/Metabolism (Fiscal Year 2021)

Date: (Year)/(Month)/(Day)

To Director of Institute for Molecular and Cellular Regulation, Gunma University

Principal Applicant	
Institution	Gunma University
Position	Professor
Name	Taro Gunma

We report on the results of joint research in fiscal 2021 as below.

(Program No.)

1. Research Title					
2. Purpose and Significance of the research project					
3. Period of The Program	July 1, 2021 ~ March 31, 2022				
4. Project Members					
Name	Age	Gender	Institution/Department	Position	Role
<small>(Principal Applicant)</small> Taro Gunma	40	M	University of -----, Department of -----	Professor	Project director
<small>(Research Collaborators)</small> Hanako Mae-basi	28	F	Institute for Molecular and Cellular Regulation	Graduate student	Cell Analysis
※If additional space is required, attach a separate sheet.					
5. Collaborative Researcher of IMCR	Name of the Laboratory			Name	

6. Research Plans

7. Research results:

8. Publications and/or Presentations resulting from Joint Research Program with IMCR.
Exchange of information on joint research with faculty members.

① Please describe a list of publications in which the name of the collaborative researcher of IMCR appears and send one paper reprints of each publication to IMCR.

② Please describe a list of publications which include the description that the research is supported by Joint Research Program with IMCR and send one copy of each publication to IMCR.

③ Enter the name of the conference, the date of the conference, and the title of the presentation of the conference.(up to 3 cases)

④ Implementation status of information exchange with faculty members in charge of joint research.
