

Institute for Molecular and
Cellular Regulation (IMCR)

GUNMA UNIVERSITY

The 12th IMCR Symposium on Endocrine and Metabolism

Metabolism as a Central Framework for Biological Regulation Across Scales

October 8 - 9, 2026

Tojo Hall (Tojo Kaikan)

Gunma University, Showa Campus
Maebashi, Japan

Keynote Speakers

Isha H. Jain

Gladstone Institutes / University of California, San Francisco, USA

Jae Bum Kim

Seoul National University, South Korea

Invited Speakers

Day 1

Takuro Horii

Gunma University

Makoto Tachibana

Osaka University

Kyohei Arita

Tokushima University

Jun-ichi Nakayama

National Institute for Basic Biology

Izumi Yanatori

Kyoto University

Motohiro Sekiya

University of Tsukuba

Day 2

Masahiro Koseki

Osaka University

Yuichi Oike

Kumamoto University

Toshiro Moroishi

Institute of Science Tokyo

Makoto Kuro-o

Jichi Medical University

Supported by: IMCR Joint Usage/Research Program
for Endocrine/Metabolism

Contact: Takeshi Inagaki

Laboratory of Epigenetics and Metabolism, IMCR

Email: inagaki@gunma-u.ac.jp Phone +81-27-220-8880
